

G900/G900SE Operating Manual Supplement

How to attach the neck strap

Attach the neck strap as shown in the figure.

p.68, First item in Memo in “Using the Camera Memo”

Ori.: When using a tamper-proof card, transfer the camera memo to the internal memory.

Cor.: However, when a tamper-proof card is inserted in the camera, you cannot transfer the camera memo.

p.130, Step 3 in “Restricting Available Functions”

Ori.: SDWO (G900SE only)	Requests a password when accessing an inserted tamper-proof card.
--------------------------------	---

Cor.: SDWO (G900SE only)	Requests a password when the camera is turned on with no tamper-proof card inserted.
--------------------------------	--

p.148, “Television Playback”

The recommended HDMI® cable RP-CHEU15-K (manufactured by Panasonic) has been discontinued. Use CAC-HD14EU15BK (manufactured by ELECOM) instead.
